# On the farm

Dave and his sister Liz are on holiday on a farm.  
There are many animals.  
The farmer's name is John.

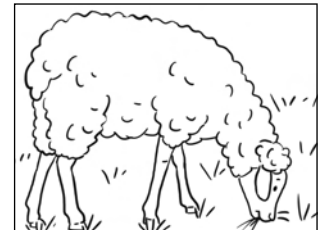

Start at number ①.

- ① Where is John?  
Liz and Dave go to the **farmhouse**.

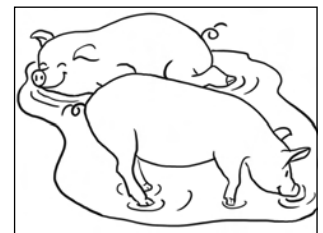

- ② No. That is a cat.  
She says "meow-meow". Go back to ③.

- ③ The sheep eats grass.  
Where is John?  
Dave and Liz hear "woof-woof".  
Maybe John is with the **dog**?

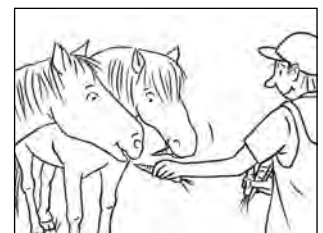

- ④ No, these are chicken. Go back.

- ⑤ The pigs are happy.  
Dave and Liz can not see the farmer.  
Where is John?  
They go to the **sheep**.

- ⑥ No, John is not at the stables. Go back to ①.

- ⑦ Yes, the farmer is with the horses.  
"Hello John!", say the kids.  
The farmer says: "Hi Dave, hi Liz! Let's go for a ride!"  
The kids are happy to ride a horse.

# On the farm

It's summer. Dave and his little sister Liz are on holiday on a farm. The farmer's name is John. On the farm there are many animals. The two kids like animals.

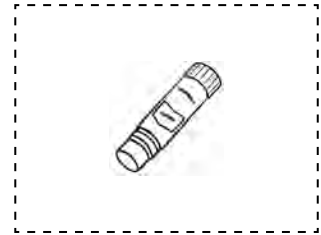

**Start reading at number 1.**

① The weather is fine. Dave and Liz are *looking for\** John. Where is he? They go to the big farmhouse<sub>5</sub>.

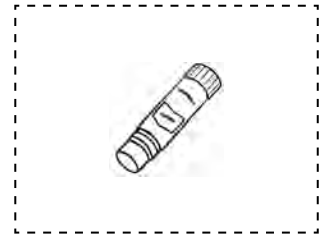

② Sorry, but this is a cat. She says "*meow-meow*". Go back to number 3.

③ The sheep eats fresh grass. Farmer John isn't here. Where's John? Suddenly Dave and Liz hear the dog. He makes "*woof-woof*". Maybe John wants *to take the dog for a walk\**.

④ No, these are five chickens. Go back to the last number. Read again.

⑤ The pigs play happily *in the mud\**. **Colour the pigs pink.** Dave and Liz can't see the farmer. They ask again: Where's John? Liz says: "Let's go to the sheep. I can hear its '*baa-baa*'"

⑥ No, farmer John isn't at the stables. Go back to number 1 again.

⑦ Good, here is the farmer! Joh<sub>1</sub>n *feeds\** the horses with carrots. Their names are Micky and Trixi. Liz and Dave shout: "Hello John! Finally, we found you!" The farmer answers: "Hi Dave, hi Liz, let's *go for a ride* with the two horses!" The kids are very happy. **Which are Liz' favourite animals?** **Write the numbered letters into the boxes.**

**Solution word:**

Liz' favourite animals are 

1	2	3	4	5	6
---	---	---	---	---	---

.
